No. LND-III-6-SR-286 Karwar, 30-7-1962.

Sir,

Subject:- F.S.No. 279 A1 of Kanvachur village in Siddapur Taluka Disforestment of..

Reference:- Govt. endt. A & F.D.No. AFD 109 of 25-1-1961.

In submitting herewith the papers of the case ending with Tahsildar Siddapur's endt. No. FOR-SR-341 of 25-6-1962, I have to state as under :-

In this case Shri M.R.Hegde, Sanchalak Gram Seva Kendra, Hittalkop Taluka Siddapur requests for grant of 20-0-0 acres of land out of F.S.No. 279 A1 of Kanvachur village in Siddapur Taluka for paddy and fruit cultivation by collective efforts as an aid to the Gram Seva Kendra.

The Tahsildar Siddapur reports that the Gram Seva Kendra is sponsering several schemes for the uplift of the economic conditions of the members of the Kendra and recommends grant of the area as the institution wants to take up cultivation by improved methods of agriculture and make the centre self supporting in view of the fact that the grazing area of the village is adequate. (vide page 27). The Divl.Forest Officer S.D.Honavar and the Conservator of Forests Belgaum Circle Belgaum who were consulted have given their consurrence to the disposal the area. (vide pages 61 and 63). The written statemen of the Sanchalaka of the Kendra as regards its constitution and the activities so far undertaken is enclosed at page 83. The institution seems to be under the direct control of the "Gandhi Smarak Nithi".

The area proposed for disforestment in this case is 20-0-0 acres. Since papers of enquiry disclose that there are no objections to the grant and the forest Department, has also given concurrence, there seems no objection to sanction disforestment and order its grant in the name of the Sanchalaka of the Kendra. The cultivation of this area by improved method would also indirectly educate the masses to follow suit.

I am therefore to request you kindly to move Govt. and obtain early orders sanctioning disforestment of the area and to transmit the papers with Government orders to enable further action in the matter.
